The EU Ecolabel, also known as the EU Flower, is the official environmental label in Europe. Products with the EU Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

POGI (Partnership for Public Green Procurement) is a community of municipalities, regions, and public organizations. The purpose is to make it easier for the public sector to buy environmentally friendly products.

The glass-fork-symbol guarantees that products live up to the demands stated in the European legislation for food contact materials. The symbol is not mandatory but advised on products used for food contact.
