## Cling film, ABENA Cater-Line, 300m x 30cm, clear, PE, unperforated, in cut-box

- ✓ Cut box with slide cutter
- ✓ Easy to cut the cling film
- ✓ Good all-round film
- ✓ Also suitable for pure fats, oily and fatty foods.

### Product Description

The cut box has a slide cutter sliding from one side to the other thus cutting the cling film. In addition, the cut box allows you to take the cling film with you wherever it is to be used - with no need for a dispenser. The cling film can be used to store all types of foodstuffs and for general household purposes - so it is a really good all-round film that is also suitable for pure fats, oily and fatty foods.
