Name badges made from recycled paper

Name badges consist of a name badge holder made from robust 100% recycled cardboard incl. printable name badges that are also made from 100% recycled paper.

Our sustainable name badge sets made from recycled paper make the perfect environmentally friendly alternative at events, trade fairs and more. With these name badges you'll be making a valuable contribution to environmental protection and taking a stand for sustainability.

Our tip: our sustainable textile lanyard 20 ECO with snap hook (product # 8240) made from bamboo makes the perfect eco-friendly attachment option. Product sold separately.
